DVL Group Earns Its 9th Consecutive Great Place to Work Certification™

Bristol, PA — April 7, 2026 — DVL Group is proud to be Certified™ by Great Place to Work® for the 9th year in a row. This prestigious award is based entirely on what current employees say about their experience working at DVL. This year, 91% of employees said it's a great place to work – 34 points higher than the average U.S. company.

Great Place to Work® is the global authority on workplace culture, employee experience, and the leadership behaviors proven to deliver market-leading revenue, employee retention, and increased innovation.

"Great Place to Work Certification is a highly coveted achievement that requires consistent and intentional dedication to the overall employee experience," says Sarah Lewis-Kulin, the Vice President of Global Recognition at Great Place to Work. She emphasizes that Certification is the sole official recognition earned by the real-time feedback of employees regarding their company culture. "By successfully earning this recognition, it is evident that DVL Group stands out as one of the top companies to work for, providing a great workplace environment for its employees."

"This is a great accomplishment and proof our commitment to workplace culture, professional collaboration, and all our core values have created a standard that can and will sustain us," says DVL CEO, Gary Hill, who credits the company's employee owners for this feat.
